It's time for the SSNC...

HERO(es) OF THE WEEK

Every Friday, we at the SSNC like to highlight some of the amazing things happening in our **community of success**.

From residents to employees to organizations, there are so many special people who make the Silver Spring Neighborhood Center extraordinary!

Today we're going to do something a little different. This week **isn't about a singular person**, it's about a group of truly remarkable people who are stepping up in uncertain times.

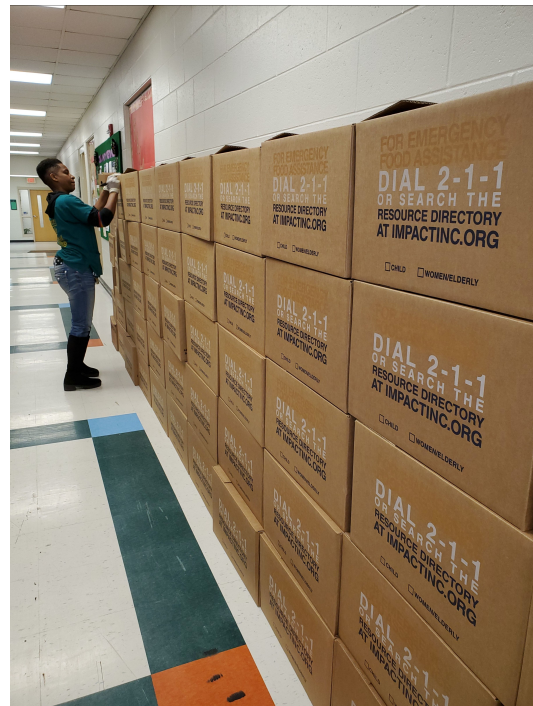

While much of the center is

remains open to help counter food insecurity in our community.

During this, a group of **dedicated staff, volunteers, and program participants** have continued to work diligently to make sure individuals, families, and seniors are still getting food. We also would like to give a **huge** special thanks to the Hunger Task Force for continuing their services through all this.

Folks from our Opportunity Youth Program have also been essential, helping the food pantry remain operational. The Food Pantry remains open on Mondays and Wednesdays, 11am-2pm and Senior Stock Boxes each Friday are still on schedule.

Rachell Peace, Director of Emergency Services at the SSNC, has done an incredible job of noting health & safety precautions, all while keeping things moving forward. The logistics of a food pantry is no easy task. Doing it while ensuring sanitizing, social distancing, and

From all of us here at the SSNC, we want to thank those who are stepping up during these uncertain times. The staff, the volunteers, the program participants, the Hunger Task Force... all of you are a bright spot in a dark time.

That's why **all of them** are our...

HEROES OF THE WEEK!

If you are interested in supporting the SSNC Food Pantry during this, here are a few ways to help. Financial Support obviously is one of the important ways but there are specific items needed as well.

- Medium sized boxes
- Grocery Bags (plastic)
- Hygienic items for our community (sanitizer, toothbrushes, toothpaste, toilet paper, deodorant, mouth wash, etc.)
- Gloves, specifically large size
- Baby stuff (diapers, formula, etc.)

If any of these are something you have access to and are willing to donate, it goes a *long* way to help the continuation of our services. One big item needed is two "conveyor belts" to get all these materials down two flight of stairs. Please contact Ben Holt at bholt@ssnc-milw.org if you are able and willing to help. Thank you!

Our 2019 Annual Report is **now available!** Please go to <https://ssnc-milw.org/about> for the full report

If you have a story of an individual or organization helping to create our community of success, please reach out to Ben Holt at bholt@ssnc-milw.org

*Perhaps they can be our next...
HERO OF THE WEEK!*
