A Message from Principal Coburn ~ To our Founding Parents, we are finishing an exciting and productive first semester at Carmen South Middle School! Our priority of establishing a positive, prideful school culture has been a success. We are proud that our students are invested in the responsibility of starting an excellent school - they are committed to our community, treating others with respect, all while showing the determination and academic growth in their classes that will prepare them for success in high school and beyond. Finally, we are thrilled with the level of participation from our parents - we are so lucky to work with such a committed and caring community that our parents are helping foster. We wish everyone a safe and happy holidays!
