### CARMEN EAGLES/ATHLETICS

Our basketball team has been showing a lot of growth and competing with 7th-8th grade programs throughout the city! Our team has one of the highest scores in the league for sportsmanship, and our students are bringing a positive attitude right up to the buzzer every weekend. We are so proud of every student for the growth they are showing in the classroom and on the court.

Please complete the form & return to school. We are proud of our conference attendance from last fall and look forward to 100% attendance this time.

**A Message from Principal Coburn** ~ To our Founding Parents, Families and Partners, we have enjoyed an exciting few weeks at Carmen South Middle School. Students and teachers are working through the winter months, producing outstanding work in their classes. Our students are showing our core value of determination in each of their courses as they improve their reading, writing, and math skill. Last Friday, we enjoyed our second dance of the year! Our student council did a great job of soliciting feedback from other students to ensure the dance was a reflection of what they wanted. Looking ahead, we have several field trips - including two college trips in May, for our students to look forward to. We encourage any families with students entering the 6th/7th grade next year to visit us at Carmen South Middle school!
