Building Update

Dear Carmen Families –

In our continued effort to keep our school a safe and celebratory space that has our students focused on learning, we are increasing our efforts to combat vandalism and the defacement of school property around our campus. Please know that Carmen Schools has zero tolerance for graffiti, vandalism or theft and any student found engaging in any of these activities can face consequences leading up to suspension, fines or dismissal from Carmen. We encourage our families to review the 2019-2020 handbook with their students or reach out to the main office with any questions or concerns.
